

SAFETY NZ WEEK

The New Zealand Community Safety and Injury Prevention Award\$ 2008

These awards recognise, reward and promote best-practice community-based injury prevention and safety promotion in New Zealand.

Entry is open to:

- any group or organisation with an excellent and/or promising safety or injury prevention initiative;
- any individual who has made a significant contribution to creating a safer community.

Winners receive \$2000 towards professional development, and/ or the development of their safety initiative
Closing date for entries is 15th July, 2008.

Category 1 – Emerging community safety and/or injury prevention initiative or programme

Judging Criteria

- Demonstrates how all relevant community safety stakeholders have been engaged as part of the initiative's implementation;
- Demonstrates that it is addressing an important injury issues for your community;
- Shows effective use of available resources; and
- Has the potential to be applied and developed elsewhere.

Category 2 – Outstanding community safety and/or injury prevention initiative or programme

Judging Criteria

- Uses data to inform development and sustainability;
- Uses proven and promising community-based safety promotion and injury prevention strategies;
- Incorporates evaluation to assess the programme, processes, reach and effects of change; and
- Has the potential to be applied and developed elsewhere.

Category 3 – Outstanding example of the New Zealand Injury Prevention Strategy framework guiding the development of a community safety and/or injury prevention initiative or programme

Judging Criteria

- Demonstrates alignment with the vision and objectives of NZIPS;
- Demonstrates alignment with one or more aspects of the NZIPS implementation plan;
- Addresses one or more priority areas for NZIPS;
- Incorporates evaluation to assess processes, reach and effects of change; and
- Fosters leadership within the community.

N.B. Applications under this category can focus on one or more objective of NZIPS or demonstrate how their initiative has used the NZIPS framework

Category 4 – Outstanding business or organisation that is contributing to the greater well-being of its own workforce and the community in general

Judging Criteria

- Shows collaboration and partnerships with community groups and organisations working towards common goals of injury reduction and well-being in the community;
- Demonstrates initiatives to improve the health and well-being of the workforce and the community, beyond the prevention of injuries in the workplace;
- Incorporates evaluation to assess processes, reach and effects of change; and
- Shows that the employer has an awareness and appreciation of the community, and is working towards the greater well-being of the community.
